

## ASX ANNOUNCEMENT

27 November 2017

### **Proposed Share Swap – Update**

Integrated Media Technology Limited (ASX:ITL; NASDAQ:IMTE) (IMT) notes some shareholder queries regarding a conditional share swap agreement involving major shareholder Marvel Finance Limited, announced on 22 November 2017 (**Share Swap Announcement**).

The Directors of IMT wish to make it clear that IMT is not a party to the share swap agreement. As such, the final outcome is neither known or within IMT's control.

Further, the IMT Directors reiterate that based on information made available to them, and as stated in the Share Swap Announcement, the share swap transaction is subject to various conditions, including entry into a definitive agreement satisfactory to the parties and legal and financial due diligence. The IMT Directors therefore note that the share swap agreement is, at this stage, an incomplete proposal.

The Directors (other than Dr. Lee) are considering the share swap transaction and make no recommendation at this time. Shareholders will be kept fully informed of further developments as they occur.

Yours sincerely,

*/s/ Dr. Man Chung Chan*
